Rep. Spiros Wants to Hear From You

Madison – Today, State Representative John Spiros (R-Marshfield) announced a new communication tool on his website featuring a spring budget survey, asking for feedback on the 2017-19 proposed state budget. The survey is a district-wide attempt to gain a better understanding from constituents on their thoughts, ideas, concerns and/or support for the proposed budget as it is being discussed in the Wisconsin Legislature.

“I am eager to hear from constituents in the 86th Assembly District. I value their thoughts and opinions as the Legislature takes up the state budget. I heard wonderful feedback at the listening sessions around the district and want to give everyone a chance to have their opinions heard. I encourage people to complete the survey, either by returning the one mailed to their residence or online,” said Rep. Spiros.

Spring budget surveys will be mailed to a random sample of voting households in the 86th Assembly District. If constituents did not receive a survey or would like to save a stamp, they are encouraged to fill out the survey online.
